

**BRO COUNCIL**

## **ESSENTIALS: PHOTOGRAPHY**

This is a good list to get you started on what you need for your new DSLR camera. You may not need all of the things on this list, but we wanted to be thorough so that you could decide what's important to you. Enjoy your new camera!

- Camera
- Lenses
- Memory Card (Usually SD)
- Bag/carrying case
- Tripod
- Flash
- Battery Grip
- Extra Batteries
- Battery Charger (For AA batteries)
- AA Batteries (If needed for your camera or flash)
- Cleaning Kit
- Remote Release
- Filters (At least a UV for lens protection)
- Neck Strap
