

## Local Chapter Application

Thank you for your interest in starting a new Bro Council chapter! You will be helping to further the mission of Bro Council to provide an interesting, exciting, and healthy atmosphere for men of all ages. Our vision is to capture the audience that we receive through our web content and go beyond the internet to create social networking in the real world, and you are an important part of that.

Chapter events are aimed at providing opportunities for men from all over the country to have fun and tap their inner alpha male through Bro Council events that are also consistent with our bylaws and codes of conduct, as well as being involved in community service work. These events can include wing nights, rock climbing, bonfires, shooting ranges, or anything else manly you can think of. Imagine starting a football league with your local members, and playing a visiting team from another chapter across the state or across the country. Or sitting down at your favorite barbecue or wing place to enjoy guy food with men who understand how cool it is to be a man, and then not have to worry about your wife or girlfriend getting mad at you later...that's Bro Council.

Being a man is one of life's greatest pleasures; your job is to remind your members of that. Starting a local Bro Council chapter is pretty simple. Below are the highlights and basic requirements as well as the benefits of starting a local chapter.
